

The 5 Strongholds

Strongholds are areas which Satan often uses as obstacles against the kingdom of God:

Pray for the abolition of laws that are contrary to biblical principles, such as abortion, same-sex marriage, and the legalization of marijuana, etc.

2. Economy

Pray for those who are unemployed and who are going through tough times trying to provide for their families. Also, pray for those who are blinded by riches.

Pray for the educative centers where they teach ideologies anti-theistic and contrary to the Bible. Pray for opportunities to share the Gospel in academic spaces.

Pray for the social pressure that many Christians are feeling from their friends and families.

Pray for those who are afraid of getting close to Christ because of social pressure.
